Platform shoes, pets, food, candy or pop, chemicals or tobacco, weapons (including pocket knives) or fireworks.

## Dress Code

We have a simple dress code for both females and males attending camp. Dress modestly. We ask that campers and staff alike consider their clothing and what messages their attire choices send. It is our goal to represent Christ in every area, including in the way we dress.

Please leave items with inappropriate language or images at home. No bikinis or speedos please. All undergarments must be fully covered. We realize that our current culture does not make this easy, and we thank you for your efforts in seeking modest choices. Other than that, our hope is that the staff will model this policy and love the campers for who they are.

### **Thursday Night Dinner**

Covenant Park continues a long tradition of “dressing up” for Thursday night dinner during Sr. High 2 camp. Note: Not all the staff or all the campers do dress up, but many will. It could be simple or complex as you desire.

Trailblazer campers enjoy dressing up in silly or mismatched outfits and costumes for Wednesday night dinner. Again not all campers and staff choose to participate, but many do.

Junior High campers dress up using the camp theme for the year. This year the theme is “rooted”. Think lumber jack/jill, flannel ect. This is the same for Junior/Senior high combined camp.
