

## Thank You!!

The 75+ years of ministry that has happened at Covenant Park has been possible because people like you have caught the vision and wanted to be a part of what God is doing here. Thank you for your past and future support. It is exciting to know that all the prayer, financial, and volunteer support given to camp does make a world of difference in individual lives. Each year we see a number of campers put their faith in Jesus Christ as their Lord and Savior, we see campers rededicate their lives to God, and we see campers being called to ministry. Camp is also a place for retreat groups to connect with God and be energized for life and faith. It is a place for them to grow in their knowledge of God and come to know Him.

“Now all glory to God, who is able, through His mighty power at work within us, to accomplish infinitely more than we might ask or think!”  
Eph. 3:20

## God transforms lives at Covenant Park...

As told from a summer staffer:

*“There were sister campers at camp this year who would frequently fight with one another. One was bullying the other and the other would try to stand up for herself but her sister had a much stronger personality than she did, so she would not really ‘win’. This didn’t stop over camp. They would fight frequently. The breakthrough came during U-Turn when both sisters realized that this is not how they should live if they are calling themselves Christians. They both made the decision not to fight anymore and the bullying one made the decision to not be known as the mean kid at school anymore.”*

Your support enables us to reach our potential in making an Eternal Kingdom impact 365 days a year!  
Thank You!

## Covenant Park Bible Camp

# Project 365

**Where friend meets friend  
and both meet God**

**Project 365** is your way to give prayer and financial support to the ministry of camp year round. We are trying to get 365 people to donate \$365 a year, every year, as they are able. As you can see, that comes to \$1 a day. Camp is doing ministry on site year round - we are doing ministry 365 days a year! This project will enable us to reach our potential for the ministry we do year round.

As you sign up to be a part of this project, we will have full reports of where the money is being used along with what stage we are in with certain projects. We are excited for the direction camp is going in and want you to be excited as well!

Financial support is secondary to the prayer support we need in our ministry. We are also asking all who sign up to be a part of this project to take at least one day a year to pray for camp.

You can tear off the card in this brochure to sign up or call the office. We will also have Project 365 updates on the website, along with a list of prayer requests.

## Areas that Project 365 money may be used for:

(in no particular order)

- The Lodge winterization
- Updating waterfront equipment
- Complete climbing tower
- Help the ball field grow grass
- Build meeting and eating space for groups in the winter that match the number of winter beds we have
- Finish winterizing summer cabins
- Deferred maintenance....try not to have "deferred" maintenance
- Buy equipment as needed
- Expand program options for summer camp
- Develop low course group initiative and high ropes courses
- On site staff housing
- New camp store space or building

We will keep adding to the list as these projects are completed!
