Dress Code We have a simple dress code for both females and males attending camp. Dress modestly. We ask that campers and staff alike consider their clothing and what messages their attire choices send. It is our goal to represent Christ in every area, including in the way we dress. Please leave items with

inappropriate language or images at home. No bikinis or speedos please. All undergarments and private areas must be fully covered. No low tops, midriff/crop tops, short shorts, or saggy pants. We realize that our current culture does not make this easy, and we thank you for your efforts in seeking modest choices. Please note that obviously immodest clothing may result in a staff member asking in a kind and respectful manner that the camper change into something more appropriate. This includes clothing with swearing or obscene messages or images. Other than that, our hope is that the staff will model this policy and love the campers for who they are.
